Voting has opened to rank the USC School of Architecture in the national rankings for Design Intelligence magazine – the **primary source for architecture rankings.**

The survey will require a few minutes of your time. Please plan to finish the survey in one sitting; you will not be able to return to the survey at a later time.

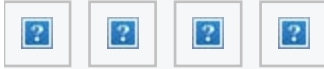

The responding person must be in a **leadership position qualified to hire employees.** If you are not qualified to complete the survey, we ask that you forward it on to a more appropriate person. Individual responses will be kept confidential but a listing of responding firms will be published.
